PROFESSIONAL SUMMARY

Operations & Project Coordinator with a degree in Accounting & Finance. Experienced in international logistics, high-value supplier procurement, and delivering end-to-end events from initial brief to final budget reconciliation. Skilled at turning complex client requirements into structured timelines, precise floor plans, and efficient workflows under tight deadlines. Available for flexible, part-time remote support.

PROFESSIONAL EXPERIENCE

Operations & Project Coordinator (Part-Time) Jul 2023 – Present
BellaLuxe Events & MuuD Essentials (US & UK Operations)

- End-to-End Operational Execution:** Managed end-to-end event logistics, delivery timelines, and master run-sheets for private events and galas of 100 to 350+ guests across multiple US locations.
- Spatial & Floor Planning:** Designed detailed 3D venue layouts, staging, and seating plans (35+ tables) using Prismm, ensuring full compliance with venue capacities and safety regulations.
- Procurement & Vendor Negotiations:** Sourced, vetted, and contracted international and domestic suppliers (AV, transport, catering, packaging); developed cost-comparison matrices to keep projects within client budgets.
- Financial Invoicing & Proposals:** Produced commercial proposals and structured milestone-based invoices (\$4,000 to \$12,000+), managing payment schedules and financial reconciliation.
- Guest & RSVP Management:** Administered guest databases and digital communications across Paperless Post and Greenvelope, resolving international delivery issues and keeping attendance tracking accurate.
- Client Collateral & Print Production:** Created executive itineraries, event programmes, menus, and branded packaging layouts using Canva and Avery print systems.

Operations & Brand Lead (Flexible) August 2023 – Present
SaharScents – London, UK

- Pop-Up & Event Operations:** Planned and executed retail pop-up stalls and community vendor markets; managed stand layout, point-of-sale setups, stock logistics, and face-to-face customer sales.
- Production & Inventory Coordination:** Oversaw end-to-end product assembly and packaging workflows, managing stock levels, raw material reorders, and batch record-keeping.
- Supplier & Packaging Procurement:** Sourced and negotiated with domestic packaging and print suppliers, maintaining product quality while controlling unit costs.
- Digital Marketing & Content:** Created social media assets, product photography, and promotional digital collateral using Canva and CapCut, driving online engagement and multi-channel product sales.

Finance & Administrative Assistant Feb 2022 – Jul 2022
Anees Hairdressers – London, UK

- Bookkeeping & Tax Administration:** Reconciled weekly cash and digital takings, logged supplier invoices, and maintained sales ledgers; prepared clean financial documentation for HMRC Self Assessment returns.
- Cost Control & Expense Analysis:** Analysed utility overheads and retail supplier expenses, identifying practical cost-saving alternatives that reduced recurring operating costs.
